

Arco Med/Heavy Duty Sensitive Hand Wash

PROPERTIES

Arco Med/Heavy Duty Sensitive Hand Wash effectively removes heavy soiling such as oil, grease, lubricants, dusts, various types of paint, toner, etc.

- Cleanses thoroughly and gentle to the skin, with natural refatting.
- Is flowable and therefore suitable for many dispenser systems (see reverse side).
- Is suitable for use in various industrial sectors.
- Is suitable for use for people with sensitive skin.

COMPOSITION

Arco Med/Heavy Duty Sensitive Hand Wash consists of selected, high-quality raw materials, which account for the good cleaning capacity and the especially good skin tolerance of the product and which are to a large extent of plant origin.

- Contains an optimally balanced, synergistic surfactant system, which also contains natural sugar surfactants.
- Contains finely ground and rounded off walnut shell meal as an abrasive. Walnut shells are a waste product, so that there is no competition with food.
- Walnut shell meal does not clog any drains.
- Contains a high proportion of ingredients made of coconut fat, which ensure a good refatting of the skin after washing.
- Is pH-neutral to skin.
- Is free of silicone and solvents.
- Was rated "very good" in a dermatological-allergological test on subjects with sensitive skin.

APPLICATION

Rub Arco Med/Heavy Duty Sensitive Hand Wash into dirty, dry hands until the dirt dissolves. Add some water, wash thoroughly and rinse well.

Arco Med/Heavy Duty Sensitive Hand Wash is economical in use. One dispenser dosage quantity is sufficient for thorough manual cleaning.

Note: Avoid contact with eyes. If it comes to contact with eyes, flush with large amounts of water.

PRODUCT DESCRIPTION

Arco Med/Heavy Duty Sensitive Hand Wash is a beige, flowable Hand Cleaner.

pH-value: approx. 4.7 - 5.5

Density: approx. 0.90 g/cm³ (20°C)

LEGAL REGULATIONS

Arco Med/Heavy Duty Sensitive Hand Wash is subject to the EU Cosmetics Regulation and the UK Cosmetics Regulation.

All our cosmetic products are manufactured according to GMP (Good Manufacturing Practice) and undergo microbial quality control. (as required by the EU Cosmetics Regulation).

STORAGE INFORMATION

Arco Med/Heavy Duty Sensitive Hand Wash can be stored in closed original containers at room temperature for at least 24 months.

SKIN CARE TIPS

In the unavoidable handling of harmful substances, a suitable skin protection agent should be used to prevent skin damage before starting work (e.g. the generally applicable skin protection lotion Arco Pure Protection Cream).

After work, the skin should be regularly rubbed with a suitable skin care product (e. g. Arco After Work Moisturiser Lotion, the active substance-rich skin care lotion) to regenerate the skin.
