

LUKAS S3 XD

MM341568

Looking for an all-round shoe? For construction or other tough outdoor jobs? The Lukas S3 has a steel toe cap on the inside and an additional PU toe cap on the outside. The Easy Twist sole provides a 'sticky grip' on any surface. This S3 safety shoe is available in different width sizes.

All-round safety shoe.

Sticky grip with GripForce® Easy Twist sole.

No painful pressure points thanks to the padded water tongue.

Improved visibility thanks to the reflective piping.

Available in multiple width sizes.
