

Previously known as: MICROGARD® 2500 Overshoes - Model 400

### Durable microporous laminate overshoes, offering superb liquid and particulate protection.

- **Specialized protection:** Made of microporous polypropylene laminate fabric, the AlphaTec® 2500 STANDARD Overshoes Bound - Model 400 provides a barrier to chemical spray and infective agents
- **Improved durability:** These overshoes also feature ultrasonically welded seams, enhancing barrier protection against various liquid and particulate hazards
- **Reduced contamination risks:** Their polypropylene laminate nonwoven fabric is also low-linting by design, minimizing the risk of contamination in critical areas
- **Enhanced features:** These comfortable, flexible overshoes also feature an elasticated opening and bound seams, making them both robust and easy to wear

## Industries

- Life Sciences
- Industrial
- Chemical
- Nuclear
- Law Enforcement

## Applications

- Transferring liquids and solids
- Spill or leakage cleanup
- Maintenance
- Unexpected leakages spills or other releases
- Plant disinfection and sanitization
- Emergency Response
- Contaminated Environments

## KEY FEATURES & BENEFITS

- **Polypropylene laminate:** Breathable protection from biological agents\*
- **Ultrasonically welded seams:** Strong liquid and particulate barrier
- **Low-linting fabric:** Fewer contamination risks in critical areas

\*in accordance with EN 14126 for penetration of blood, body fluids and blood-borne pathogens

## Seam Diagram

## Performance Standards

EN ISO 13688:2013

## Product Information

Product Information	
Available Sizes	One Size
Color	White
Country Of Origin	China, Sri Lanka
Packaging Overview	50 pairs every compressed bag
Product Material	Microporous Polypropylene Laminate non-woven
Product Reference	2500 Overshoes - Model 400
Standards Overview	CE CATEGORY III (Type PB (6)-B, EN 14126)
Seam Type	Bound
Shelf Life	5 years
Style Number	W25B400

Suit components & accessories

Suit Components and Accessories	
Design Features	Overshoes, elasticated opening and bound seams.
