

Nash

High-vis rain jacket, ARC protection (APC2)

7227N2LK2

The Nash in a nutshell: reliable protection, sublime quality and unrivalled comfort. We have upgraded this bestseller to arc protection class 2 (APC 2) so it now offers you even better protection against the thermal hazards of an electric ARC. The laminated fabric of this hi-vis rain jacket is also perfectly wind- and waterproof and received a durable dirt and oil repellent finish. Thanks to the I.L.S. system, various accompanying fleeces, liners and softshells can be zipped in.
