

Eshton

Hi-vis rain jacket with Fixed hood

3726A2FE0

The Eshton rain jacket is waterproof and even more important it remains waterproof even after several washing cycles. With this jacket you are not only protected against all kinds of precipitation, but you also stand out in the dark or in low light conditions thanks to its fluorescent colour and the reflective striping. The underarm ventilation is a nice feature of this light jacket which is made of our durable Flexothane® fabric The Eshton jacket is a hi-vis rain jacket on which you can rely on.
