Cold storage bib and brace trousers

Our Vermont (2123) and Zermatt (6105) combo will keep you warm and comfortable down to minus 40°C. The ISOSOFT® lining offers a lot of warmth but is nevertheless very light. The high Vermont bib & brace assures a double insulation of the vital organs. This duo is very durable and hard wearing and is reinforced at critical wear points such as the shoulders, elbows and knees.

Cold storage bib and brace trousers
