Pedley

Rain bib & brace, ARC protection (APC2), high-vis class 1

1004A2LK2

The Pedley is the cream of the crop. These hi-vis rain bib and brace with arc protection (class 2) are anti-static and protect you not only against industrial hazards such as heat, flames and welding sparks, but also against extreme weather conditions. The fabric is perfectly wind- and waterproof, but at the same time this is a breathable fabric so you never get clammy. The leg ends can be narrowed for extra protection, the knees are reinforced and the elastic waist makes the trousers extra comfortable.

Colours

- High-vis yellow/Navy blue (143)

EU Size

S-3XL

Certification
