

Sentinel PAPR Premium Half Hood

Lightweight respiratory protection with head and face coverage

This premium reusable hood solution proves lightweight respiratory protection with head and face coverage. Designed for flexibility and ease of use, it allows the same harness to be used across multiple hoods, reducing costs and simplifying maintenance. Ideal for applications which require frequent replacement of the outer hood.

Features

- Compatible with Skytec Sentinel Powered Air Respirator range
- Clear, wide field of vision
- Head harness can be used across multiple replacement hoods
- Offers limited protection for the face and eyes against liquid splash, low-energy impact particles, and
- Premium Reusable Hood Solution
