

DEEP CARPET CLEANER

BRC 30/15 C

The BRC 30/15 is a simple and convenient solution to quickly deep clean carpets, reviving their pile and rejuvenating their appearance. Especially designed for ease of use, the machine provides superb deep cleaning results using the spray-extraction method. A rotating brush and high suction power ensure single-pass cleaning with rapid drying times.

Technical Specification

Carpet Cleaner	BRC 30/15 C
Air flow rate (l/s):	20
Spray pressure deep cleaning (bar):	3.5
Tank, fresh water (l):	15
Vacuum working width (mm):	315

High cleaning performance

- Two rotating brushes clean deep into the pile from either side. A floating roller brush ensures optimal floor contact even on uneven surfaces.

Compact design

- Ideal for areas between 200 and 800 m². Perfect for easy, compact storage thanks to the convenient folding handle.

Operation

- Backwards gliding operation maintains uniform contact pressure and prevents operators from walking upon freshly cleaned carpet.

Dirty water container

- Generous, easily accessible 17 litre dirty water container
- Easy grip handle, perfect for splash-free emptying

CARPET CLEANER ACCESSORIES

Maximising the potential of your Kärcher machine
