

STEAM CLEANER

SG 4/4

Ideal for the hygienic cleaning of hard surfaces including floors, walls, tiles, glass and kitchen and bathroom fittings. Kärcher's user-friendly SG 4/4 steam cleaner features sophisticated filling technology, complete adjustment of steam pressure and saturation (VapoHydro) direct from the hand tool, two-tank system for continuous operation, accessory holder and storage compartment. Extremely handy and compact, the SG 4/4 is certified to provide 99.999% disinfectant cleaning.

Technical Specification

Steam Cleaner	SG 4/4
Pressure (bar)	4
Tank capacity (l)	4
Heat output (W)	2300
Cable length (m)	7.5

Two-tank system minimises downtime

- Continuously refillable tank prevents work interruptions by allowing non-stop cleaning.

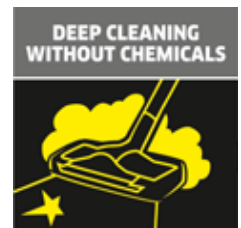

VapoHydro

- Thanks to VapoHydro, the steam level can be adjusted to the cleaning task. Both steam pressure and saturation level can be adjusted from full steam to hot water. With the hot water jet, even stubborn dirt can be effectively dissolved.

Accessory storage compartment

- Integrated storage compartment for a variety of accessories. Small tools are always safely stored, to protect against loss and steam tubes are neatly stowed on the rear of unit.

Hygienic cleaning

- Hygienic cleaning without the need for chemicals; protects both the operator and the surfaces treated from aggressive cleaning agents. Only requiring water to clean has health and budget benefits.

*According to prEN 16615, PVC-floor. Machine: SG 4/4 (Floor nozzle with lamellae, 30 cm/sec., steam pressure maximum, VapoHydro minimum)
Test-germ: Enterococcus hirae ATCC 10541

STEAM CLEANER ACCESSORIES

Maximising the potential of your Kärcher machine

Terry Cloth Cover

Cloth kit with five high-quality cotton covers for the manual nozzle.

Microfibre Bathroom Cloths

Two special soft microfibre-velour floor cloths, one microfibre abrasive cloth for removing stubborn lime and soap residues and one microfibre polishing cloth for polishing mirrors and other smooth surfaces.

Microfibre Kitchen Cloths

Two special microfibre floor cloths, One soft microfibre cover for the hand nozzle for loosening stubborn dirt, e.g. on hobs. One microfibre stainless steel cloth for perfect cleaning of all stainless steel surfaces.

Set of Microfibre Cloths for Classic and Comfort Floor Nozzle

Two soft microfibre-velour floor cloths for the Classic and Comfort floor nozzle for better removal and suction of dirt. For brilliant results on tiles, natural stone, linoleum or PVC floors.

Round Brush Set

Set consisting of stainless steel, brass and Pekalon round brushes.

Floor Nozzle, 300 mm

Floor nozzle for steam and vacuuming applications.

Manual Nozzle, 150 mm

Manual nozzle for steam and vacuuming applications.

Triangular Floor Nozzle

Triangular floor nozzle for cleaning corners.

Round Brush Stainless Steel Set

Very hard bristles.

Round Brush Brass Set

Hard bristles.

Plastic Round Brush Set

Medium-hard bristles.

Round Brush, Set Of Three

Plastic bristles, 2 x red (hard), 2 x black.
