Soft rubber tips increase snug fit for all day use

**Product Details: Arco Notus
3G4660 – Smoke**

- Lens G2 CT 1
- Frame G2 CT 1-M

EN ISO 16321-1:2022/
A1:2025

UV400 protection with anti-scratch & anti-mist coating

Smoke lens with marking G2 is one of the most-popular tinted lenses for outdoor use. It can provide glare protection on bright days with sunlight but does not distort your eyes for true colors.

Application: Construction, DIY, Agriculture, Mining, Military, Driving, Fishing, Golfing, Cycling, Running, Rocket sports / Tennis, Skiing, Surfing/ Sailing

Compact and lightweight: 22.4 grams
8 base rimless one-piece wraparound lens with integral side-shield provides the most panoramic view without obstruction
Slim & curved temples enhance the pliability to fit user's head without pressure
Soft rubber tips increase snug fit for all day use
