An adjustable nozzle, ideally suited for use with emergency fire hose reels.

Construction: Material – red nylon

Applications: Ideal for use with emergency fire hose reels

Properties: Stream can be adjusted from a jet to a spray

Size (mm)	Inlet pressure (bar)	Jet (lpm)	Spray (lpm)	Throw (m)	Code
19	2	22	34	8.5	4516919
19	3	30	47	11	4516919
19	4	33	53	12	4516919
19	5	39	62	12	4516919
19	6	43	69	13	4516919
25.4	2	28	50	10	4516925
25.4	3	37	67	12	4516925
25.4	4	44	78	13	4516925
25.4	5	51	86	14	4516925
25.4	6	55	95	16	4516925

Performance is based on pressure at nozzle, not inlet pressure to reel
