

GENERAL DATA

Division : Fall Protection
Family : Fall Protection
Range : Harness
Brand formerly known as : MILLER
Business Countries
EMEA
United Kingdom
Middle East
Activity Domains :
Administration

Product Use :

TITAN 1 point harness is easy to use and meets industry and construction compliance requirements. 1 point harness (dorsal D ring)

PRODUCT ADVANTAGES

Feature :

1 point harness (dorsal D ring), with standard buckles and adjustable legs straps.

Benefit :

Security

Lightweight, durable polyamide webbing for all day comfort and dependability. The black line on the outside of the webbing quickly identifies that the harness is fitted correctly.

Adjustable

Fully adjustable designs so one size fits all.

Sliding back D-ring for a comfortable fit.

Comfortable

Sub-pelvic strap keeps the wearer upright

Very good cost-effective choice
