A medium weight PVC ducting hose, reinforced with a rigid crush resistant white PVC helix, suitable for multi-sector applications.

Construction: Hose wall – grey PVC
Helix – white crush resistant PVC

Applications: Industrial vacuum cleaners
Extraction of fumes, wood chippings and sawdust
Suited to arduous applications

Properties: Tough, flexible and extremely durable
Optimum flow is maintained by the smooth bore
Cross section is maintained even when highly flexed

Temperature range: -10°C to +55°C

Standard length: 30 metres
