arco®

Product: 5650400 Arco Organic Compound TECHNICAL DATA

Storage	Store in a cool place
Fire Hazard	None
Toxicity	Non-toxic
Biodegradable	Yes
Protective Measures	Although Arco Organic Compound is relatively harmless, proper care must be taken according to the nature of the liquid to be absorbed. Protective clothing is therefore recommended and gloves should be worn to prevent contact with the skin.
First Aid	If material comes into contact with eyes, thoroughly irrigate with water or an eye bath solution. Obtain medical advice.
Dust	None
Spillage	Spillages of the material should be gathered up into a sealed bag.
Usage	When using to mop up spillages of chemicals or control small chemical fire, the COSHH regulation for the material spilled must be followed.
Disposal	Disposal of the material after use must follow the COSHH and HAZCHEM procedures for the substance(s) mopped up by the compound.
