

# COBAMAT LIGHT

## KEY FEATURES

- ① Reduces operator leg and backache.
- ② Insulates the operator from a cold concrete floor.
- ③ Cross-ribbed surface provides extra grip.
- ④ Helps to keep work areas clean as debris falls through the holes and can be swept away with ease.
- ⑤ Cost effective -cheapest in the Cobamat Range

## SUITABLE APPLICATIONS

- ◆Wet/Oily and Dry environments.
- ◆Ideal for **ENGINEERING** areas and **INDUSTRIAL** environments where there is light traffic.
- ◆Ideal for **machine tool areas where swarf and debris collects.**
