

## 4 DRUM ALL WEATHER SPILL PALLET

### PRODUCT

The Ecospill 4 Drum All-Weather Spill Pallet (P3201514) is a robust, weather-resistant solution for safely storing up to four 205L drums outdoors. Constructed from durable polyethylene, it features a lockable roller shutter door to protect contents from the elements and unauthorized access. The removable mesh deck allows for easy cleaning, ensuring compliance with UK Oil Storage Regulations.

PRODUCT NO	DIMENSIONS	QTY	CAPACITY
