

**The Safe Cover 12/8 is a versatile safety cover that is exceptionally rigid in construction, yet lightweight.**

- Designed primarily for use in street works
- Complies with the UK's DETR Safety at Streetworks and Roadworks Code of Practice
- Moulded from a single piece of glass reinforced composite
- Measures 1200mm by 800mm and weighs 12kg
- Slip resistant surface and chamfered edges to prevent tripping
- Underside has ribbed framework for added strength
- Can take the distributed weight of a vehicle of up to 2000kg
- Standard colour yellow (other colours are available on request)
- Can emboss with company name or logo
- Designed to cover trenches of a maximum width of 700mm

Safe Cover 12/8
