

CAROLINA O1 SRC

SIZE RANGE
UK3-8 (EU36-42)

CERTIFICATION
EN ISO 20347:2012

WIDTH FITTING
eee

The Carolina is a premium ladies shoe that provides outstanding comfort and excellent SRC slip resistance that exceeds industry standards by up to an astonishing 323%. This practical shoe has an antistatic construction that reduces build-up of static within the body and is certified to EN ISO 20347:2012.

The Carolina is made from premium Nappa leather with a contrasting tan leather lining.

Underfoot comfort has been significantly enhanced with a full leather footbed which incorporates superior underfoot cushioning with outstanding 'bounce-back' qualities, ensuring unrivalled comfort for all day wear.

UPPER

Premium Nappa leather upper for outstanding style and quality.

LINING

Contrasting tan leather lining provides that extra touch of luxury and comfort.

FOOTBED

A full leather footbed which incorporates superior underfoot cushioning with outstanding 'bounce-back' qualities, ensuring unrivalled comfort.

OUTSOLE

The 'Carnaby' rubber outsole demonstrates outstanding slip resistance which exceeds minimum SRC requirements by up to 323%.
