Chill-Its 6260 Lightweight Phase Change Cooling Vest with Rechargeable Packs

FEATURES

- IMMEDIATE & LONG-LASTING COOLING RELIEF – Packs maintain constant 64° F / 18° C for up to 2 hours
- LIGHTWEIGHT – 30%-60% lighter weight than other cooling vests
- FLEXIBLE – Grid-style pack design eliminates stiffness
- CUSTOMIZABLE FIT - Stretch panels at the sides and shoulders, plus an adjustable slide-buckle waist closure allow for a comfortable and flexible fit
