

- Breathable fabric
- Kneepad pockets: bottom-loading
- Lightweight
- Scratch-free
- Inherently flame-retardant

Hunor

Coveralls, ARC protection (APC1), high-vis class 3

218UA2PIP

Working in an area where an electric arc flash hazard exists? These multinorm coveralls are made of an inherently flame-retardant fabric that is hard-wearing, lightweight (260 g/m²) and offers excellent protection. Thanks to their unicolour high-vis orange colour, they also meet the requirements of the British RIS-3279-TOM standard for high visibility clothing worn by people in the rail industry. | The Hunor coveralls are the UP-dated version of the Warwick (892V).

Colours

- High-vis orange (FC1)

EU Size

- short: S-XL
- regular: XS-4XL
- long: S-XL
