ECO flame-retardant holster pockets (sold per pair)

056MA2OFP

These flame-retardant holster pockets add flexible tool storage to your Multinorm MOVE work trousers. Sold per pair, they attach easily to a belt via loops and can be removed just as quickly. Spacious compartments, reinforced areas and tool loops, including a hammer loop, support efficient working. Rear loops allow easy hanging with tools still inside.

Colours

- Navy blue (B9Q)

EU Size

one size
