

HyFlex® 48-100 48-101 48-105 (ex Sensilite®)

Mechanical Protection

Multi-purpose

Light

Comfort and protection for lightweight applications

DESCRIPTION

- Ansell's HyFlex® range of industrial gloves are designed for light applications that require good levels of comfort and abrasion resistance.
- Offering precise handling of small objects in dry or light oily environments, HyFlex® is the practical choice when you are looking for dexterity.
- HyFlex® provides enhanced safety, dexterity and durability compared to other glove options often used in the same applications.
