Short Sleeve T-Shirt

This eco-conscious, high-performance T-shirt is made from a breathable blend of recycled polyester and bamboo, delivering natural comfort and long-lasting durability. It features a side-split hem for ease of movement. Designed for visibility and performance, it includes heat-applied stretchy segmented reflective tape and is treated with Rudolf antimicrobial technology to help maintain freshness. With a natural UPF 40+ rating, it also provides reliable protection against the sun.
