

Nadi

ECO sweatshirt, half zip, ARC protection (APC1), medium risk (B2)

400MA2MF8

The Nadi ARC sweatshirt is inherently flame-retardant and anti-static. Its soft, stretchable terry knit ensures lasting comfort and reduced snagging, while Protex® and Tencel™ Lyocell fibres add durability and sustainability. The half zip allows easy on-and-off — even when wearing a helmet — and retroreflective striping provides enhanced visibility in medium-risk environments.

Colours

- Navy blue/Anthracite grey (730)

EU Size

XS-4XL
