Rojas

Shirt, long sleeves, ARC protection (APC1), medium risk (B2)

302MA2OIP

The Rojas shirt combines certified flame-retardant, anti-static and ARC protection with a first barrier against liquid chemicals. Made from modacrylic, aramid and elastane, it offers inherent safety, strength and flexibility. The navy blue/anthracite grey colour combination with retroreflective tape ensures EN 17353 B2 enhanced visibility for medium-risk environments. A versatile protective item that moves with you in comfort and confidence.
