P522-R / PR505-R

Waterproof Coverall

Built for harsh conditions, this coverall features a PU coated polyester with DWR-treated fabric and mesh lining, plus a fleece lined collar for added comfort. Designed for durability and visibility, this coverall has an interactive zip system which allows for easy integration with the EP100 Thermal Coverall Liner.

KEY FEATURES

- Recycled polyester waterproof fabric with PU coating and DWR treatment
- Sewn-on solid reflective tape
- Additional reflective detail at pockets
- Interactive zip and attachment points for compatibility with the EP100 thermal coverall liner
- Removable and adjustable pack-away hood
- Mesh lined throughout with fleece lining at collar
- Elasticated back waistband
- YKK 2-way centre front zip fastening with hook and loop storm flap
- Adjustable, hook and loop tabs at cuff with neoprene inner cuffs
- Two patch pockets with flaps at chest
- Two hip pockets for access to undergarments
- Two spacious bellow side pockets with flaps
- One rear patch pocket with flap
- Radio loop at chest pocket
- Lower leg gusset with waterproof zip at inside leg
- Knee pad compartments
