

Overtrousers

Lightweight, highly waterproof, and breathable overtrousers designed to provide wet weather protection over workwear, keeping you dry and visible in a downpour.

KEY FEATURES

- Unisex fit
- 80% recycled polyester outer fabric
- bluesign® C0 DWR treatment
- 20,000mm hydrostatic head rating for protection in heavy rain
- 21,000gm2 breathability rating helps manage perspiration during intense activity
- RET (water vapour resistance) is 6.16 and 8.3 in combination with the liner, far exceeding EN343 class 4 (<15)
- Taped seams throughout
- One band of 5cm reflective tape at thigh and two bands of 5cm reflective tape at lower leg
- Elastic waistband with tie draw cord for security and comfort
- Waterproof zips at the hip to give direct access to clothing and pockets underneath
- Handy cargo pockets at the thigh with press stud closure
- Dark grey polyester oxford fabric knee and hem panel for durability
- Waterproof zips at hem with an expanding gusset for quick changes over footwear
